KAUAI LOSES AN EFFICIENT CITIZEN

PROMINENT RESIDENT AND REPUBLICAN POLITICIAN OF KILAUEA TO LEAVE ISLAND.

LILUE, June 19.—Isaac Cox and family left for Honolulu on the Hall Saturday. Mrs. Cox and son intend to leave for the coast on the Man-churia today for an extended visit during the summer vacation with relatives in California. Mrs. Cox expects to be at San Jose most of the time, visiting her parents.

Mr. Cox will spend his vacation in Honolulu. Mr. Cox does not intend to return to Kauai, but has accepted a position in the city schools from the Superintendent. Kauai is indeed sorry to lose Mr. and Mrs. Cox. Mr. Cox has been principal of the Kilauea School for the past three or four years, and besides maintaining one of the very best schools on the island, making his school the center of mental activity and morality in the district, as the school should be. Mr. and Mrs. Cox have filled an important place in the social and political life of Hamalei district. Mr. Cox has been since he went to Kilauea the chief officer at Kilauea for the Republican party and Mr. Cox has been relied upon by Republicans from other parts of Kauai, many times, to take a leading part in the guidance of party action along proper channels. The Republican party of Kauai is unable to spare Mr. Cox, the loss of our local party will be the gain of the Republican party in Honolulu.

Kauai wishes to Mr. and Mrs. Cox

WHAT NEW PROCESS GAS RANGES

Are Doing For Others, They Will Do For You

Time - Money - Patience

If you can save a little of each of these, to say nothing of comfort and convenience, by using a NEW PROCESS GAS RANGE, isn't it worth your while?

WHEN YOU ARE READY

the gas range is ready; as much heat or as little as you like, no more no less and for as long a time as required. If a hot fire is desired on top and a slow fire in the oven, you may have both sorts, simultaneously. You do not BURN FUEL BEFORE AND AFTER, consequently there is no expense incurred except during the actual operation of cooking.

"Star Spangled Banner."

A SONNET.

I sat in heaven, and heard its music play

There was no time—years were as moments gone.

There was no space. Forever linked in one

By tidal song, the near and far-away.

No words articulate those sounds convey;

And yet I knew the Hymn of joy begun.

Whose faintest pulsing can with bliss o'er-run

The weariest soul, upon the darkest day.

What seraph from the deep rose-heart of heaven,

Where Sorrow's very being is unknown,

His harp to gladness tuned, without alloy?

O wonder, none! A man, poor, sad, alone,

A man deaf to outward harmonies, has given

The universe this heritage of joy.
